COMPANY PROFILE

Al-Jabri Logistics Company Ltd was established in May 1999 with Commercial Registration 2050073194.

The company operates in goods transportation by road across the kingdom of Saudi Arabia And strives to gain the trust of all clients throughout the Kingdom, expanding across the region, and establishing strategic partnerships in the local sector and GCC.

We offer a large fleet of trucks to meet the needs of the local market and keep up with the growing demand in the Kingdom's transportation sector.

The company aims to be one of the largest transportation companies in the Kingdom through maintaining our current clients and creating a new client's base, investing with leading companies and accommodating all their needs.

Our Goals

- To ensure the quality of services provided to our clients.
- To Help our clients grow their business by achieving excellence in ours.
- To build a strong management team who possess dynamic leadership skills.
- To value our employees and help them realise their own unique potential.

Our values

- Integrity: Credibility, honesty, and transparency in all of our transactions.
- Care: Taking care of our clients' needs and ensuring all work is carried out to their satisfaction and standards.
- Quality: Maintain the highest standards of quality in all our work.
- Respect: Respect and appreciate the cultural differences of our team members.
- Team Spirit: Encourage teamwork and believe in its importance in achieving goals for individuals and the company.

A word from our Chairman

Since our establishment, we have always considered our clients' satisfaction as a priority and we are committed to the highest measures in terms of quality, standard, specifications and uniqueness. These characteristics are the main attraction for our partners and clients alike.

Our enterprising company aims to be the supplier of choice in the logistics sector of Saudi Arabia through the successful implementation of our vision we can build our company based on strength capability, experience, and determination to succeed. This encourages other clients to participate and benefit mutually.

As a national company aspiring to a bright future, we seek to get involved in reviving our country's economy and raise the participation of the private sector in the domestic product of our beloved kingdom.

I am thankful and grateful for your trust in our company. I pray to Allah to bless our journey to achieve success and prosperity for all of our clients and staff.

I am sure that our company vision for a bright and successful future will come true through our dedicated staff, providing our clients with the best service possible while following the values and principles set out.

May Allah bless you!

Bander Rafyeya Al-Jabri

Chairman

Our Services

We provide services to our key clients in the Petro Chemical, utilities and FMCG markets. This fleet is operated by an operational, technical, and administrative staff who have extensive experience in the field. We offer our transportation solutions to companies and establishments of all sectors to cover all cities throughout the kingdom in an effective, rapid, and safe way. We are in the process of expanding our fleet to accommodate our newly awarded contracts and provision to provide further expansion in the future.

This fits in with our strategy to fulfil our client's needs with any number of trucks. This includes truck branding and designing the bodies according to the required capacities and loads. To keep up with the rapid evolution in transportation sector, we are upgrading our current ERP and financial system to ensure quick of the service provided.

The company has an advanced workshop with the latest equipment supervised by engineers qualified and experienced with loading and unloading programming according to accurate and modern programs in order to manage the time and decrease the costs.

Our Fleet

With nearing 150 vehicles, our fleet comprises some of the best heavy-duty truck brands (Mercedes, Actros, Volvo, Man) in addition to a variety of Flatbed trailers / Tankers and Extended trailers manufactured in the Kingdom by Al Madjdouie and Shewelli in order to offer the best services to market sectors in the Kingdom.

We also source equipment directly as required for contract based projects and can provide a full transport solution to your unique requirements within the timeline agreed, subject to the client needs i.e. purchasing of specialist equipment from overseas.

Our Drivers:

In addition to having a minimum of 5 years' experience, our drivers are required to undertake Defensive driving, Dangerous goods and fire safety training as a minimum before they are assigned to work with any client, any additional training requirements can be tailored to the clients specific needs.

Why Al-Jabri for transport Services?

- Quality and Safety first; we made a commitment to stay ahead of the game in ensuring the safety of our staff, goods and the transported materials.
- Our company owns dependable trucks and equipment.
- Our transport staff are trained and capable of providing the best service possible.
- Our drivers are trained in technical operating systems. We only employ experienced drivers with Certifiable safety records. We pride ourselves of having the best drivers we can get and enhancing their skills with frequent refresher training.
- The company invests in modern equipment to improve reliability from breakdowns, reduce maintenance and fuel consumption.
- We use the latest technology in fleet tracking between the operators, drivers and clients.
